

*a special program
for families
of medical
students of the
Class of 2015*

Parking

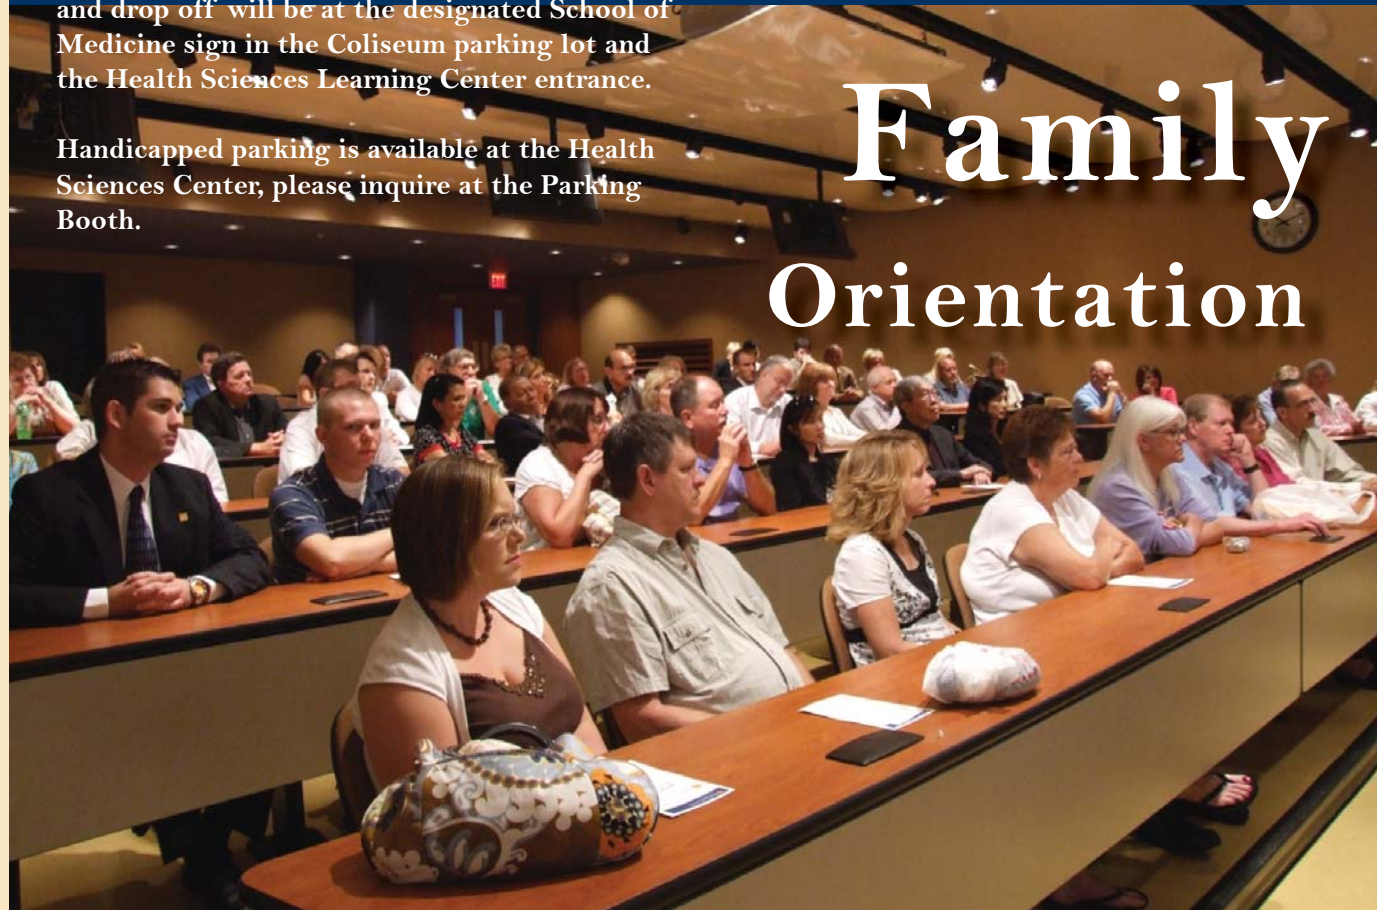

Parking is not available at the Health Sciences Center for this event. Please park at the WVU Coliseum on Monongahela Blvd. Look for the signs designating School of Medicine Family Orientation in the parking area to the left of the entrance. A shuttle bus will be provided, beginning at 1:30 p.m., running at 15-20 minute intervals, or as needed until 8:30 p.m. Pick up and drop off will be at the designated School of Medicine sign in the Coliseum parking lot and the Health Sciences Learning Center entrance.

Handicapped parking is available at the Health Sciences Center, please inquire at the Parking Booth.

Friday, August 12, 2011
Robert C. Bryd Health Sciences Center

Welcome

Medical School is a fascinating educational experience, but also a very demanding one. For many students, the support and understanding of family members can be crucial for success. That is why we are inviting you to this special Orientation Program.

We will offer insights into what the years ahead will bring to your medical student—challenges and celebrations. We will also give you a glimpse of our educational resources and show you our facilities. Whether or not you are familiar with WVU as a medical institution, we think you will be impressed by the quality and scope of our educational, clinical and research activities.

Please join us for this special Orientation Program and meet other members of the WVU School of Medicine team. We look forward to seeing you.

Arthur J. Ross III, MD, MBA
Dean

Norman D. Ferrari, MD
Senior Associate Dean for Medical Education
