Journey!*

Orientation
Class of 2015

Brochure created by:
WVU School of Medicine
Office of Alumni Affairs

August 8-12, 2011

Welcome

Welcome to the West Virginia University School of Medicine. This is an exciting beginning to your professional journey. This orientation is designed to prepare you for the many significant challenges which lie ahead.

We have a week-long orientation program beginning with a day of outdoor activities. This allows us to get settled in and meet each other in a fun, casual atmosphere. The 2011 Orientation Adventures will be held at Westvaco Natural Resources Center & Chestnut Ridge Regional Park. **Report to the Health Sciences Center Learning Center Foyer at 7:40 a.m., Monday, August 8th.**

Orientation continues throughout the week at the Health Sciences Center. Family Orientation takes place on Friday, August 12th, followed by the Oath of Integrity Ceremony. All students are expected to attend. The Family Orientation invitation has been mailed directly to your parents by the Alumni Office. Encourage their participation.

Come Prepared for a Great New Adventure!
