

Updated 8-30-2011

**WEST VIRGINIA UNIVERSITY
DIVISION OF UROLOGY**

**RESIDENT INVOLVEMENT IN PRESENTATIONS AND
PUBLICATIONS 2008 -**

*Stanley Zaslau, MD, MBA, FACS
Professor and Chief
Urology Residency Program Director*

*Can Talug, MD
Associate Residency Program Director
Assistant Professor*

***Resident name is underlined.**

Presentations

Zaslau S, Maxey D, Namsupak J, Morabito R, Riggs D, Jackson B, Kandzari SJ: “Efficacy of Placement of Bilateral Tined Leads for Stage I Neuromodulation Procedure.” Presented at the American Urological Association Annual Meeting, Orlando, FL, May 18-20, 2008.

Zaslau S, Brown ET, Riggs S, Jackson BJ, Kandzari SJ. “Female Sexual Dysfunction in Patients with Painful Bladder Syndrome: Evaluation of the Use of Elmiron.” Presented at the Mid-Atlantic Section of the American Urological Association Meeting, Cambridge, Maryland September 29, 2008.

Luchey A. Ureteroscopic treatment of Urinary Lithiasis in the Pediatric Population. Presented at the 20th Annual Bernard Zimmerman MD Lectureship. West Virginia University Department of Surgery. March 11, 2009.

Rogers AE. Dual Causes of Primary Infertility in a patient with Cystic Fibrosis. Presented at the 20th Annual Bernard Zimmerman MD Lectureship. West Virginia University Department of Surgery. March 11, 2009.

Zaslau S, Riggs DR, Jackson BJ, Talug C, Kandzari SJ. “Inositol Hexaphosphate (IP6): Modulation of Cell Cycle and Proliferation of Bladder Cancer In Vitro. Presented at the Association of VA Surgeons Annual Meeting, Boston, MA, April 19, 2009.

Zaslau S, Brown ET, Riggs S, Jackson BJ, Kandzari SJ. “Female Sexual Dysfunction in Patients with Painful Bladder Syndrome: Evaluation of the Use of Antidepressants.

Presented at the American Urological Association Annual Meeting, Chicago, IL, April 25-30, 2009.

Zaslau S, Maxey D, Namsupak J, Riggs D, Jackson BJ, Kandzari SJ. Interstim II Implantable Generator Improves Surgical Time and Postoperative Pain After Neuromodulation. Presented at the Mid-Atlantic Section of the American Urological Association Meeting, Williamsburg, VA, October 1-4, 2009.

Zaslau S, Rogers, AE, Riggs D, Jackson B, Kandzari SJ: "Female Sexual Dysfunction In Patients with Interstitial Cystitis: Evaluation of Current Medical Therapy." Presented at the American Academy of Pain Management Meeting, Las Vegas, NV September 19, 2010.

Luchey A: In Vitro Inositol Hexaphosphate Treatment for Bladder Cancer: Evaluation of Short Versus Continual Exposure Time. Annual Spring West Virginia Chapter American College of Surgeons State Resident Competition – 1st Place. May 7, 2010 at The Greenbrier, White Sulphur Springs, WV.

Hakim J, Basu A, Luchey A, Zaslau S. Treatment of the Duplicated Ureter Injured Intraoperatively, Application of Kidney Transplant Techniques to the Urology Reconstruction Setting: Case Report and Review of the Literature. Presented at the North Central Section of the American Urological Association Meeting, Chicago, IL, September 30 – October 2, 2010.

Zaslau S, Riggs DR, Jackson B, Jessup M, Coad J, d'Audiffret A, Kandzari SJ. Stress Related Induction of Painful Bladder Syndrome in Mice: A New Murine Model. Presented at the Mid-Atlantic AUA Annual Meeting, Nemaquin Woodlands, PA, September 30-October 2, 2010.

Jansen R, Riggs DR, Jackson B, and Zaslau S. Sacral Neuromodulation Implantable Pulse Generator Failures Impact on Program Settings. Presented at the Mid-Atlantic AUA Annual Meeting, Nemaquin Woodlands, PA, September 30-October 2, 2010.

Luchey A, Zaslau S, Riggs DR, Jackson BJ, Kandzari SJ. "In Vitro Inositol Hexaphosphate Treatment for Bladder Cancer: Evaluation of Short versus Continual Exposure Time. Presented at the Mid-Atlantic AUA Annual Meeting, Nemaquin Woodlands, PA, September 30-October 2, 2010.

Zaslau, S, Rogers, AE, Riggs, D, Jackson, B, Osborne, J, Kandzari, SJ, Fooks, H. "Initial Characterization of Female Sexual Dysfunction in Patients with Interstitial Cystitis." Presented at the American Academy of Pain Management 21st Annual Clinical Meeting, Las Vegas, NV, September 21-24, 2010.

Luchey, A. Zaslau S. "The In Vitro Anti-Tumor Activity of Docetaxel in Combination with Inositol Hexaphosphate (IP-6) in Castrate-Resistant PC3 and DU-145 Prostate Cancer Cell Lines." Presented at West Virginia University GME Week, May 18, 2011.

Luchey A, Talug C, Riggs D, Jackson B, Point D, Zaslau S, Kandzari S. “The In Vitro Anti-Tumor Activity of Docetaxel in Combination with Inositol Hexaphosphate (IP-6) in Castrate-Resistant PC3 and DU-145 Prostate Cancer Cell Lines.” Presented at the Mid-Atlantic AUA Annual Meeting, Orlando, FL, November 3-November 6, 2011.

Luchey A, Riggs D, Jackson B, Talug C, Kandzari S, Coad J, Daous Y, Point D, Jesup M, Zaslau S. Talug, C, Riggs, D, Jackson, B, Point, D, Zaslau, S, Kandzari, S. “The Effects of Social and Environmental Stimuli in a New Murine Model for Interstitial Cystitis/Painful Bladder Syndrome.” Presented at the Mid-Atlantic AUA Annual Meeting, Orlando, FL, November 3-November 6, 2011.
