

## FACULTY POSITION IN EXERCISE PHYSIOLOGY, West Virginia University School of Medicine

The Division of Exercise Physiology, West Virginia University School of Medicine (<http://www.hsc.wvu.edu/som/ep>) invites applications from outstanding candidates for one non-tenure track (12 month) position. It is anticipated that the faculty appointment will be made as an **INSTRUCTOR in Exercise Physiology**. An appointment could be made at a higher rank and will depend upon the applicant's qualifications. Applicants must hold a PhD, MD/PhD or equivalent in Exercise Physiology, or a closely related field at the time of their appointment, and have teaching experience in Exercise Physiology/Kinesiology.

The successful candidate will contribute to the teaching mission of the Division of Exercise Physiology, which is ranked 7<sup>th</sup> nationally by the Chronicle of Higher Education. Candidates who have relevant laboratory teaching experience in Exercise Physiology (e.g., cardiovascular physiology and strength and conditioning) are especially encouraged to apply. Although this is not primarily a research position, the potential for research collaborations with one of the Interdisciplinary Research Centers including the Center for Neuroscience (<http://www.hsc.wvu.edu/wvucn/>), the Center for Cardiovascular and Respiratory Sciences (<http://www.hsc.wvu.edu/ccrs/>), or the Mary Babb Randolph Cancer Center (<http://www.hsc.wvu.edu/mbrcc/research/researchDivisions.asp>), and/or a Mission-Based Center (<http://www.hsc.wvu.edu/som/Centers-and-Institutes.aspx>) is possible. This appointment is offered in accordance with the provisions of West Virginia University as described in the Faculty Handbook (<http://wvufaculty.wvu.edu/r/download/29561>). The appointment will begin on July 1, 2011.

West Virginia University is a comprehensive Carnegie designated RU/H: Research University (high research activity), with approximately 29,000 undergraduate and 6,000 graduate students. Morgantown has 58,000 residents and is rated as one of the best small towns in the U.S. For more information about Morgantown and the West Virginia University Health Sciences Center and School of Medicine, please visit the following websites: <http://morgantown.com/overview.htm>; <http://www.hsc.wvu.edu/> and <http://www.hsc.wvu.edu/som/>

Qualified individuals should submit a complete curriculum vitae, a brief description of teaching credentials and research interests, and the names and addresses (including e-mail) of three references to: **Dr. Randall Bryner, Vice Chair of Exercise Physiology, Division of Exercise Physiology, West Virginia University School of Medicine, Robert C. Byrd Health Science Center, P.O. Box 9227, Morgantown, WV 26506-9227. Email [rbryner@hsc.wvu.edu](mailto:rbryner@hsc.wvu.edu).** A copy of all application materials should be sent to Ms. Rebecca Gutta-Miller ([rgmiller@hsc.wvu.edu](mailto:rgmiller@hsc.wvu.edu)) and April Cukic ([acukic@hsc.wvu.edu](mailto:acukic@hsc.wvu.edu)).

Review of applications will begin **immediately**. Applications received on or before March 31, 2011 will receive priority.
