

Office of Graduate Medical Education  
West Virginia University School of Medicine

**Resident Signatures on  
School of Medicine Resident WVUH Hospitals Agreement Policy**

All School of Medicine resident WVUH Hospital Agreements must be returned to the School of Medicine GME Office within 30 calendar days of the start date of the agreement. The program directors and coordinators are expected to facilitate this process.

Failure to return the document with the appropriate signatures will result in the immediate suspension of the resident from all duties. Suspension may be lifted only upon receipt of the signed agreement.

The resident may remain on payroll using any accrued annual leave until such time said leave is exhausted and then the resident will be removed from payroll.
