# PRESIDENT'S MESSAGE

## Embracing the "We"

### GREETINGS MOUNTAINEER PHYSICIANS!

It is with great excitement and honor that I serve as your president of the WVU School of Medicine Alumni association. As we have all gone different ways with our careers since medical school, it is exciting to think about our roots as Mountaineer Physicians and reflect on our training in the Mountain State.

We have shared so many memories that are unique to being physicians: our arrival on campus the first day of medical school orientation, receiving our first stethoscopes at the oath of integrity, gross anatomy lab and medical didactics, receiving our white coats, entering into our clerkships and caring for our first "real patients," passing our USMLE step exams, and receiving our hoods at graduation. We lived all together. No matter what specialty, field, or geographic location we are practicing in today, the education our alma mater provided gave us a common language and mission to collaborate, care and grow the practice of medicine as an integrated force.

As we move forward in this ever-changing field of medicine, my hopes for you are that we are all holding on true to the roots that inspired us as great Mountaineer physicians. I hope you are still having fun and being inquisitive beyond your profession. I hope you are modeling kindness, respect, humility and enthusiasm in all your endeavors. I hope you are generous to the less fortunate, enjoying your family and friends and practicing self-care and personal wellness. I hope you have embraced great mentors in life as well as in your profession. I hope you are mentoring others and continuing the call to young medical students. Most importantly, I hope you feel a part of your current medical community. As we strive for wellness, we must work as a team. In the words of Malcolm X, When "I" is replaced by "WE" even ILLNESS becomes WELLNESS.

You will always have a medical home and community as a graduate of the WVU School of Medicine. Wear the flying WV and Gold and Blue with pride. **LET'S GO MOUNTAINEERS!**

Sincerely,  
Lauren W. Morgan Swager, MD
