^{**} Global Health Track students are permitted to do two global health electives, and will have first choice of sites. Non-Global Health Track students are permitted to do one global health elective.

^{***} Travel awards will be guaranteed only for Global Health Track students for one of their rotations (not for two rotations) up to \$1500. At this time we cannot guarantee travel awards for non-Global Health Track students as this will depend on continued funding/donations.
