Dermatology Rotation Orientation

Location: University Town Center (UTC) Outpatient Clinic, 3rd Floor, Dermatology Work Area

Prior to First Day: Email the dermatology chief resident, Mackenzie Gwynne (mjgwynne@hsc.wvu.edu) as well as Texie Wells (texie.wells@hsc.wvu.edu) and let them know you will be starting the rotation. Also, let them know about any vacation days as well as any of your own clinic days during the week.

Rotation Schedule:

- Monday: Clinic from 8:00 AM to 4:30 PM
- Tuesday: Clinic from 8:00 AM to 4:30 PM
- Wednesday: Clinic from 8:00 AM to 4:30 PM
- Thursday*: Clinic from 8:00 AM to 4:30 PM
- Friday: Didactic session from 9 AM to 12 PM followed by clinic until 4:30 PM

* If you are interested in dermatology, you can attend dermatopathology sessions Thursdays from 9 AM to 12 PM at Health Sciences Center, Department of Pathology. Dermatology clinic starts at 1 PM at UTC.

General Guidelines:

- You will see patients with the dermatology attending physicians, whether in their private clinic or when staffing resident clinics. You may be asked to see a patient on your own and present directly to the attending physician.
- Medical students are expected to complete learning modules during the rotation and take a test at the end of the rotation. Residents are encouraged to complete these learning modules as well.
- Dermatology textbooks are available in the clinic for supplemental reading during the rotation.
- Friday didactic session is held in the conference room on the 3rd floor at UTC.
- Off-service residents are excused to attend their didactics as required by their residency curriculum.
