### REPEAT ANNOUNCEMENTS

### WVU CENTER FOR SERVICE AND LEARNING ANNOUNCEMENTS

MIRACLE LEAGUE BASEBALL of Morgantown is in search of buddies, coaches, and volunteers. Miracle League Baseball is a Stepping Stones program for athletes age 5 and up with a disability. It removes barriers that typically keep children with cognitive and physical disabilities off the baseball field and lets them experience the joy of the America's favorite pastime. The season runs from May through July in the evenings during the week. There are different leagues for all ability levels. Stepping Stones needs extra hands to help with helmets, guide base running, helping in the outfield and keeping players engaged, learning and having fun. You do not have to be a baseball player--just willing to jump in and have fun! If you are interested in helping please to talk with us about different options and what best fits your schedule. We are also always looking for individuals and groups to just come out and fill the stands to cheer our athletes on. Contact Kim at SteppingStones at 304-983-7837 or email [abilitywv@hotmail.com](mailto:abilitywv@hotmail.com) for more information. Sign up on [iServe](#).
