Notes

PCSM=Primary Care Sports Medicine, MSK Rad=Musculoskeletal Radiology, PT=Physical Therapy, OT=Occupational Therapy.

Each rotation will occupy 1-2 half-days per week.

Ultrasound: This will be an integrated rotation in the first few months of the year. The fellows will spend 4-6 half-days with the Ultrasound Fellowship faculty covering MSK and Sideline Ultrasound. The fellows are still free to choose Ultrasound as an elective later in the year to get additional Ultrasound training.

Vacation-Fellows will be able to schedule vacation during any rotation

Electives: Sports Psychology, Pulmonology/Pulmonary Function Testing, Ultrasound

Research: There will be dedicated research time on the weekly block schedule at least once every two weeks.

Didactic/conference schedule is attached on the next page.
