

2020-2021 Wednesday Morning Plastic Surgery Academic Schedule (Updated: 07/15/2020)

	M&M 7-8am	Core Curriculum 8-10:30am	Active Learning Conference 10:30-11am	Organizational Meetings 11am – 12pm
July 1	M&M	Principles, Techniques, and Basic Science – 1 LQ/MC/KH - Woodberry	Discussion-Coding InService	Staff Meeting ZOOM (except residents/faculty)
July 8	Plastics M&M	Principles, Techniques, and Basic Science – 3 KC - Gelman	QI-Research Update	Grand Rounds PGY-5: Carruthers
July 15	M&M	Anatomy Lab: Trunk 8:15am-12pm		
July 22	M&M	Anatomy Lab: Upper Extremity 8:15am-12pm		
July 29	M&M	Plating Lab w/ Rob Mosher (AcuMed) 8:15-11am		Resident Meeting (lunch)
Aug 5	M&M	Head and Neck – 13 JH - Gelman	Discussion-Coding InService	Staff Meeting
Aug 12	Plastics M&M	Breast – 13 LQ/KH - Woodberry	GS TWIS 8:45-9:30	Breast -13 (Continued)
Aug 19	M&M	Anatomy Lab: Head & Neck 8:15am-12pm ACAPS Meet & Greet 6-7:30pm via ZOOM		
Aug 26	M&M	Anatomy Lab: Lower Extremity 8:15-11am		Resident Meeting (lunch)
Sept 2	M&M	Make-Ups	Interesting Case	Staff Meeting
Sept 9	Plastics M&M	Principles, Techniques, and Basic Science – 2 LQ/KH - Woodberry	QI-Research Update	Grand Rounds PGY-4: Klimov
Sept 16	M&M	Hand – 28 MC - Gelman	Patient Safety Ethics & Professionalism	Resident Meeting (lunch)
Sept 23	M&M	Head and Neck – 15 (Nguyen/Thuro)	Discussion-Coding InService	White Journal
Sept 30	M&M	GS Grand Rounds 8-8:45am GELMAN	Case Presentation to the Residents FOGARTY	
Oct 7	M&M	Hand – 29 KC - Woodberry	Discussion-Coding InService	Staff Meeting
Oct 14	Plastics M&M	Congenital Anomalies and Pediatric Plastic Surgery – 8 MC - FOGARTY		Grand Rounds Faculty
Oct 21	Mucha Lecture 7:30-8:30am	Head and Neck – 19 (Armeni)	Patient Safety Ethics & Professionalism	Case Oral Boards
Oct 28	M&M	Skin and Soft Tissue – 4 KC - Stewart	Career Guidance –GS 9:30-10:15am GELMAN	Resident Meeting (lunch)
Nov 4	M&M	Hand – 30 JH - Gelman	Discussion-Coding InService	Staff Meeting
Nov 11	Plastics M&M	Skin and Soft Tissue – 5 LQ/KH - Woodberry	QI-Research	Grand Rounds PGY-3: Henderson
Nov 18	M&M	Trunk and Lower Extremity – 26 KC - Gelman	Patient Safety Ethics & Professionalism	Case Oral Boards
Nov 25	M&M	Congenital Anomalies and Pediatric Plastic Surgery – 9 MC - Stewart	Interesting Case	White Journal
Dec 2	M&M	Head and Neck – 12 FOGARTY	MOCK InService Exam	
Dec 9	Plastics M&M	Ugly Sweater Breakfast	Head and Neck – 14 JH - Woodberry	QI-Research
Dec 12 SAT	INTERVIEW #1 Details TBD			
Dec 16	M&M	Congenital Anomalies and Pediatric Plastic Surgery – 11 MC - FOGARTY	Patient Safety Ethics & Professionalism	Resident Meeting (lunch)
Dec 23	HOLIDAY No Conferences			
Dec 30	HOLIDAY No Conferences			
Jan 6	M&M	InService Questions		Staff Meeting
Jan 8 FRI	INTERVIEW #2 Details TBD			
Jan 13	Mock Written Boards			
Jan 20	M&M	InService Questions		
Jan 23 SAT	INTERVIEW #3 Details TBD			
Jan 27	M&M	InService Questions		Resident Meeting (lunch)
Jan 28 THUR	PEC MEETING 7-9am (All faculty/residents/APPs)			
Feb 3	M&M	InService Questions		Staff Meeting

2020-2021 Wednesday Morning Plastic Surgery Academic Schedule (Updated: 07/15/2020)

	M&M 7-8am	Core Curriculum 8-10:30am	Active Learning Conference 10:30-11am	Organizational Meetings 11am – 12pm
Feb 10	Plastics M&M	GS Grand Rounds 8-8:45am KW	InService Questions	
Feb 17	Tubman Lecture 7:30-8:30am	ASPS – Visiting Professor ???		Resident Meeting (lunch)
Feb 24	M&M	InService Questions		
Mar 3	M&M		Discussion-Coding InService	Staff Meeting
Mar 10	Plastics M&M	Breast – 24 LQ - Woodberry	QI-Research	Grand Rounds PGY-2: Quiroga
Mar 17	Tubman Lecture 7:30-8:30am	Breast – 21 KC - Gelman	Patient Safety Ethics & Professionalism	Case Oral Boards
Mar 24	M&M	Aesthetic Surgery – 18 KC - Gelman	Interesting Case	Resident Meeting (lunch)
Mar 31	M&M	Trunk and Lower Extremity – 25 MC - FOGARTY	Make-Ups	White Journal
Apr 7	M&M	Breast – 22 KH - Woodberry	Discussion-Coding InService	Staff Meeting
Apr 14	Plastics M&M	Trunk and Lower Extremity – 27 JH - Gelman	QI-Research	Grand Rounds Faculty
Apr 21	Morton Lecture 7:30-8:30am	Hand - 32 KC - Woodberry	Patient Safety Ethics & Professionalism	Case Oral Boards
Apr 28	M&M	Congenital Anomalies and Pediatric Plastic Surgery – 10 KH - Stewart	Interesting Case	Resident Meeting (lunch)
May 5	M&M	Congenital Anomalies and Pediatric Plastic Surgery – 7 LQ - Gelman	Discussion-Coding InService	Staff Meeting
May 12	Plastics M&M	Hand – 31 MC - Woodberry	QI-Research	Grand Rounds PGY-1: Hardy
May 19	Zimmerman 7:30-8:30am	Aesthetic Surgery – 16 KC - Gelman	Patient Safety Ethics & Professionalism	Resident Meeting (lunch)
May 26	M&M	Skin and Soft Tissue – 6 Dr. Gary Fudem (U of Mass) w/ Dr. Fogarty	Interesting Case	White Journal
June 2	M&M	Aesthetic Surgery – 17 JH - Woodberry	Discussion-Coding InService	Staff Meeting
June 9	Plastics M&M	Aesthetic Surgery – 20 LQ - Gelman	RESIDENT PICNIC DAY <i>(Residents will be excused for the day starting at 9am)</i>	
June 16	M&M		Patient Safety Ethics & Professionalism	Case Oral Boards
June 17 THUR	PEC MEETING 7-9am (All faculty/residents/APPs)			
June 23	M&M	Make-Ups	Make-Ups	Resident Meeting (lunch)
June 30	M&M	Plastic Surgery Intro & Bootcamp		

THINGS NEEDING TO BE ADDED TO SCHEDULE:

1. InService Exam
2. Micro Simulation w/ Ortho?
3. VP: Dr. Roger Khouri (Grand Rounds)
4. Upper Extremity Local Flap w/ Dr. Ryan Garcia & Mike Calvetti
5. Lower Extremity Local Flap w/ Dr. Ryan Garcia & Mike Calvetti
6. VP: TMR w/ Glenn Gaston & Bryan Loeffler
7. VP: ASPS
8. VP: Dr. Ivan Ducic (Axogen)

2020-2021 Wednesday Morning Plastic Surgery Academic Schedule (Updated: 07/15/2020)

*Grabbe and Smith book used below, as well as Janis.

Principles, Techniques, and Basic Science	
1	Techniques and Principles in Plastic Surgery – 1 LQ Implant Materials – 7; REC I. Implants and biomaterials LQ Principles of Microsurgery – 8; REC I. Microsurgery MC Microsurgical Repair of Peripheral Nerves and Nerve Grafts – 9 MC Local Anesthetics – 11; REC I. Anesthesia KH Sutures and Needles – 3 (Janis) KH
2	Wound Healing: Normal and Abnormal – 2; REC I. Wound healing KH Wound Care – 3 KH Negative Pressure Wound Therapy – 10 (Janis) KH Transplant Biology and Applications to Plastic Surgery – 6 LQ Face Transplantation – 43 (Janis) LQ
3	Muscle Flaps and Their Blood Supply – 5; REC I. Flaps and grafts KC Fundamentals of Perforator Flaps – 5 (Janis) JH Face Transplantation – 43 (Janis) MC
Skin and Soft Tissue	
4	Dermatology for Plastic Surgeons – 13 KC Mohs Micrographic Surgery – 14 Basal Cell Carcinoma, Squamous Cell Carcinoma, and Melanoma – 15 (Janis); REC I. Benign skin lesions
5	Malignant Melanoma – 16; REC I. Malignant skin lesions KH Congenital Melanocytic Nevi – 15 LQ
6	Thermal, Chemical, and Electrical Injuries – 17; REC VII. Skin care GUEST Principles of Burn Reconstruction – 18; REC I. Burns Radiation and Radiation Injuries – 19
Congenital Anomalies and Pediatric Plastic Surgery	
7	Embryology of the Head and Neck – 21; REC II. Congenital head and neck anomalies; REC II. Craniofacial anomalies LQ Vascular Anomalies – 22; REC II. Vascular anomalies
8	Cleft Lip and Palate – 23; REC II. Cleft lip, REC II. Cleft palate MC Velopharyngeal Dysfunction – 26 (Janis); REC II. VPI
9	Principles of Craniofacial Distraction – 12 MC Nonsyndromic Craniosynostosis and Deformational Plagiocephaly – 24 Craniosynostosis Syndromes – 25 Craniofacial Microsomia – 26 Orthognathic Surgery – 27; REC II. Orthognathic surgery
10	Craniofacial Clefts and Hypertelorbitism – 28 KH Miscellaneous Craniofacial Condition – 29
11	Otoplasty and Ear Reconstruction – 30 MC Microtia – 27 (Janis); REC II. Microtia Prominent Ear – 28 (Janis)
Head and Neck	
12	Soft Tissue and Skeletal Injuries of the Face – 31; REC II. Soft tissue injuries of the face KH Head and Neck Cancer and Salivary Gland Tumors – 32 ; REC II. Head and neck cancer Skull Base Surgery – 33 Craniofacial and Maxillofacial Prosthetics – 34
13	Reconstruction of the Scalp, Calvarium, and Forehead – 35; REC II. Scalp, forehead and skull reconstruction MC Mandible Reconstruction – 41; REC II. Facial and mandibular fractures Reconstruction of Defects of the Maxilla and Skull Base – 42 Reconstruction of the Oral Cavity, Pharynx, and Esophagus – 43
14	Reconstruction of the Lips – 36 JH Reconstruction of the Cheeks – 37 Nasal Reconstruction – 38; REC II. Nasal reconstruction
15	Reconstruction of the Eyelids, Correction of Ptosis, and Canthoplasty – 39 (Guest Speaker-Opto.) ; REC VII. Oculoplastic surgery GUEST Blepharoplasty – 48; REC VII. Blepharoplasty Forehead Lift – 50; REC VII. Brow lift
Aesthetic Surgery	
16	Lasers in Plastic Surgery – 20; REC VII. Lasers KC Cutaneous Resurfacing – 44 Filler Materials – 45; REC VII. Non-surgical rejuvenation Botulinum Toxin – 46
17	Structural Fat Grafting – 47 JH Liposuction – 52; REC VII. Liposuction Abdominoplasty and Lower Truncal Circumferential Body Contouring – 53 ; REC VII. Body contouring
18	Facelift – 49; REC VII. Face and neck lift KC Facial Paralysis Reconstruction – 40 (Guest Speaker-ENT); REC II. Facial nerve injury
19	Rhinoplasty – 51; REC VII. Rhinoplasty GUEST Facial Skeletal Augmentation With Implants – 54 Osseous Genioplasty – 55
Breast	
20	Hair Transplantation – 56; REC VII. Hair restoration LQ Photography for the Plastic Surgeon – 13 (Janis); REC VIII. Medical photography Surgical Treatment of Migraine Headaches – 20 (Janis); REC VII. Migraine surgery

2020-2021 Wednesday Morning Plastic Surgery Academic Schedule (Updated: 07/15/2020)

21	Augmentation Mammoplasty and Its Complications – 57 KC Gynecomastia – 61; REC IV. Gynecomastia
22	Mastopexy and Mastopexy Augmentation – 58; REC IV. Ptosis and Mastopexy KH Breast Reduction: Inverted-T Technique – 59; REC IV. Breast reduction and hypertrophy Vertical Reduction Mammoplasty – 60
23	Tissue Expansion – 10 KH Breast Cancer for the Plastic Surgeon – 62; REC IV. Breast cancer KH Breast Reconstruction: Prosthetic Techniques – 63; REC IV. Breast recon (implant-based) LQ
24	Latissimus Dorsi Flap Breast Reconstruction – 64 LQ Breast Reconstruction: Tram Flap Techniques – 65 Breast Reconstruction – Free Flap Techniques – 66; REC IV. Breast recon (autogenous-based) Nipple Reconstruction – 67; REC IV. Breast recon (ancillary-based)
Trunk and Lower Extremity	
25	Thoracic Reconstruction – 68; REC V. Chest wall recon MC Abdominal Wall Reconstruction – 69; REC V. Abdominal wall recon
26	Lower-Extremity Reconstruction – 70; REC VI. Muscle flaps of the lower extremity; REC VI. Traumatic injuries; REC VI. Vascular injuries KC Foot and Ankle Reconstruction – 71; REC VI. Foot recon Foot Ulcers – 57 (Janis)
27	Reconstruction of the Perineum – 72; REC V. Pelvic recon JH Lymphedema – 73 Pressure Sores – 74; REC V. Pressure sores Reconstruction of the Penis – 75; REC VII. Transgender study
Hand	
28	Radiologic Imaging of the Hand and Wrist – 78 MC Soft-Tissue Reconstruction of the Hand – 79; REC III. Soft tissue coverage of the upper extremity Fractures and Ligamentous Injuries of the Wrist – 80; REC III. Ligamentous injuries; REC III. Wrist injury Fractures, Dislocations, and Ligamentous Injuries of the Hand – 81; REC III. Fractures and dislocations
29	Tendon Healing and Flexor Tendon System – 82; REC III. Flexor tendon KC Repair of the Extensor Tendon System – 83; REC III. Extensor tendon Infections of the Upper Limb – 84; REC III. Hand infections Tenosynovitis – 85
30	Compression Neuropathies in the upper Limb – 86; REC III. Nerve compression; REC III. Nerve injury JH Thumb Reconstruction – 87 Tendon Transfers – 88
31	Congenital Hand Abnormalities – 89; REC III. Congenital hand MC Dupuytren's Disease – 90; REC III. Dupuytren's Disease
32	Replantation in the Upper Extremity – 91; REC III. Replantation and revascularization KC Upper Limb Arthritis – 92; REC III. Arthritis Upper Limb Amputations and Prosthesis – 93; REC III. Targeted muscle reinnervation

REC I. Critical care
 REC I. Geriatrics and end of life
 REC I. Necrotizing infections
 REC I. Neurosurgery
 REC I. Orthopedic surgery
 REC I. Pediatric surgery
 REC I. Pharmacology and therapeutics
 REC I. Special techniques, minimally invasive and non-invasive techniques
 REC I. Thoracic surgery
 REC I. Transplantation and immunology
 REC I. Trauma

REC III. Hand tumors
 REC III. Vascular trauma

REC IV. Breast anatomy
 REC IV. Congenital breast anomalies

REC V. Anatomy, physiology, embryology

REC V. Congenital disorders (trunk)
 REC V. Spinal recon

REC VI. Reconstruction of vascular lesions (lower extremity)
 REC VI. Venous insufficiency of the lower extremity

REC VIII. Evaluation of evidence and biostatistics
 REC VIII. Evidence-based medicine
 REC VIII. ICD-10 and CPT Coding
 REC VIII. Interpersonal communication
 REC VIII. Leadership
 REC VIII. Medicolegal
 REC VIII. Outpatient Operating Facility
 REC VIII. Patient safety
 REC VIII. Payment systems
 REC VIII. Physician wellness
 REC VIII. Professionalism and ethics
 REC VIII. Risk management
 REC VIII. The business of medical practice
