

Medicine Consults Rotation Information

Contact: Dr. Lindsay Sunzeri lmille40@hsc.wvu.edu

Where to show up: 8SE Hospitalist workroom

- Take the Southeast elevators to the 8SE wing of RMH
- Hospitalist workroom is located just to the right as you step out of the elevators

Who to contact:

- You will be working with the residents and Hospitalist staff during this rotation
- To find out which residents are working with you on day 1 of your rotation, you can use the online call schedule if you have access to this prior to your rotation. If you do not, please email lmille40@hsc.wvu.edu at least 1 week before your rotation, and Dr. Sunzeri can inform you.
- The hospitalist staff changes from week to week, so you may be working with several different attendings during your rotation.

When to show up:

- The residents start their day at 7am, please meet them at 7am in the hospitalist workroom and they will give you a patient assignment.
