

VIRTUAL

ALUMNI WEEKEND 2020

SEPTEMBER 25-26

JOIN US!

DEAR ALUMNI, COLLEAGUES AND FRIENDS:

During these unprecedented times, we will not be able to meet in person for Alumni Weekend. However, we will be able to meet via ZOOM and we look forward to seeing each of you!

Please join us in your favorite gold and blue attire for a fun evening of renewing old friendships with former classmates and catching up on info from your Alma Mater right here in Mountaineer Country.

Registrants will receive Zoom link via confirmation.

DEAN'S MESSAGE

Welcome classmates, friends and fellow alumni. While I regret that this message can't be made with a handshake or a hug, I'm honored to know I'm among good company that understands how important the format change to this year's event is. In fact, if 2020 has taught me anything, it's that I've never felt closer to friends and family as I have during this time when so many of us are physically apart. In a way, that's always been the strength for Mountaineers – we know that wherever our lives or travels take us, our WVU family is connected. So, I hope you'll enjoy the festivities we have outlined for you in this memorable Alumni Weekend. Stay healthy. Stay safe. Stay cheering on your fellow Mountaineers.

Clay B. Marsh, MD, 1985

Vice President and Executive Dean, WVU Health Sciences
Dean, WVU School of Medicine

GENERAL INFORMATION

REGISTRATION

Pre-registration is requested online and registrants will be acknowledged. Please visit medicine.hsc.wvu.edu/alumni, click on "Alumni Weekend" and select the registration form. Participants will receive a special memento.

CLASS REUNIONS

Celebrating reunions are all Two-year School graduates (1943-1960) and the classes of 1965, 1970, 1975, 1980, 1985, 1990, 1995, 2000, 2005, 2010 and 2015. After the general program, there will be separate breakout rooms where classmates can visit to catch up, share stories and memories.

DISTINGUISHED ALUMNUS

Peter M. Murray, MD, professor and chair of the Department of Orthopedic Surgery at Mayo Clinic in Florida, specializes in hand surgery and microsurgery, with a special interest in surgical reconstruction of peripheral nerve injuries, including brachial plexus reconstruction.

A native of Parkersburg, West Virginia, Dr. Murray earned a bachelor's degree in chemistry and graduated magna cum laude from West Virginia University and completed his Doctor of Medicine degree in 1985. He completed his orthopedic surgery training at the University of Iowa Hospitals and Clinics

in Iowa City, Iowa, followed by a fellowship in hand and microsurgery at Mayo Clinic, Rochester, Minnesota.

Dr. Murray is a distinguished graduate of the United States Air Force ROTC program at WVU and served on active duty, rising to the rank of Lt. Colonel. He was deployed in support of the Operation Desert Storm campaign in 1991 and received the USAF Meritorious Service Medal and the USAF Commendation Medal.

Dr. Murray is past president of the American Board of Orthopedic Surgery (ABOS) and is currently a senior director for the ABO, chairing the Combined Committee on Surgery of the Hand. He is past president of the American Association for Hand Surgery, and currently chairs the Orthopedic Surgery Residency Review Committee (RRC) for the Accreditation Council for Graduate Medical Education (ACGME).

He has authored more than 125 scientific publications and three books. He lectures internationally on hand surgery and has been a visiting professor at 18 United States institutions. He received the "Healthcare Hero Award" by the Jacksonville Business Journal and has received Jacksonville's "Top Doctor" award numerous times.
